At this time you are experiencing a loss. You may be overspending or a type of loan or major expense arises that must be dealt with leaving you at a deficit that is hitting you right in the wallet. This card can also indicate that you are experiencing some level of envy – that others have more than you – money, lifestyle, material goods. You may be feeling a sense of not getting credit for an accomplishment leaving you feeling a disappointment (e.g., working very hard, and no one seems to notice or thank you for your efforts). Is someone who owes you money not paying up at this time
